Dear Parents and Friends,

It is with great honor and enthusiasm that I introduce myself, Scott Nurnberger, as the new principal at Eisenhower Elementary School. Over the past week, I have had the pleasure of meeting many of you. I have been overwhelmed by the warm welcome I received from the students, staff, and parents. Through my interactions, it has quickly become apparent to me why Eisenhower Elementary School has such a great reputation.

Over the next few months, I will continue to look, listen, and learn as I familiarize myself with our school and all of you. This process will assist me in providing the leadership necessary to develop a foundation for our students to grow and realize their full potential. The staff and I will strive to meet the high expectations you have for your children through individualized instruction and engaging activities that meet students' interests and needs. It is my hope that our school will provide you and your children with fond memories and valuable lessons that last a lifetime.

I am thrilled to become part of the Eisenhower family. As part of that family, I am committed to keeping our school a source of pride within our community. Please do not hesitate to contact me if you have any questions, concerns, or ideas.

Sincerely,

Scott Nurnberger
Principal
