October 26, 2020

Dear Parent(s)/Guardian,

At this time, we are asking **all parents** to complete the daily health screening for your child each day, regardless of grade level or instructional setting (virtual or in-person). Parents must log into Oncourse Connect (aka Parent Portal) each morning **by 8:00 am** to complete the health questionnaire. Directions on how to complete the screening have been included in this email. Please start to make this a part of your daily routine.

Please do hesitate to contact me with any questions or concerns. I can be reached via email at scott.nurnberger@sayrevillek12.net or by phone at 732-525-5230 ext. 3001.

Sincerely,

Scott Nurnberger
Principal
Dwight D. Eisenhower Elementary School
