March 31, 2021

Dear Eisenhower Families:

We are very excited to announce that the Sayreville School District will transition to Phase 4 of the Restart of School Plan effective Monday, May 3rd. Phase 4 includes the following:

- ✓ **Five full days of instruction, Monday – Friday (whether remote or in-person)**
- ✓ **Hours of operation: Start time 8:50 am and dismissal at 3:20 pm**
- ✓ **There will no longer be office hours**

Parents will have the option for their child to learn remotely (Virtual) however changes must be made by April 23rd. If your child is currently Virtual, and you would like them to begin in-person (Hybrid) instruction beginning May 3rd, you must email your request to me at scott.nurnberger@sayrevillek12.net. Again, these changes must be made by April 23rd. **No changes to the learning environment (in-person or remote) will be accepted after April 23, 2021.** Students will be locked into their learning environment until the end of the 2020-21 school year. Please note that if you choose full time remote learning (Virtual) for your child(ren), they will not be able to attend any in school functions.

It is important to note that beginning May 3rd, Hybrid (in-person) students will be marked absent if they are not physically in school. They may access live-streamed lessons remotely, however, they will be marked absent if their learning environment is Hybrid. The only exception is if they are directed to quarantine by school administration.

If I do not receive an email from you requesting changes to your child(ren)'s learning environment, your child(ren) will remain in the learning environment they are in as of April 23, 2021.

Thank you for your cooperation. Have a wonderful and relaxing spring break. We look forward to seeing our students when school reopens on Monday, April 12, 2021.

Sincerely,

Scott Nurnberger
