

WELCOME SUMMER READING!

Be sure to participate in this year's Summer Reading Book Swap to get your summer started right.

This year, Sayreville Public Library and the Sayreville Elementary Schools are partnering to help your child build their library at home! Our Book Swaps are designed to promote your child's love of literature by having them bring in a book they've already enjoyed and trade it in for a new one to explore.

We will have our book swaps on the following days, so be sure to have your child bring a book to trade that day! This is a FREE Program.

Tuesday, June 11
Wilson Elementary

Wednesday, June 12
Truman Elementary

Thursday, June 13
Eisenhower Elementary
